

Membership Information

Join us at Colusa's premier health club - here for your mind, body and spirit. We offer several different membership types, choose one that is just right for you...

Select a month-to-month membership or a prepaid membership. For a month-to-month membership, you pay an enrollment fee, first and last months dues; then your monthly dues begin the first of the following month; they are automatically deducted from your checking account, savings account or Visa or Mastercard.

Our prepaid memberships are prepaid for a minimum of three (3) months. You pay an enrollment fee and three months of membership dues upon enrolling. If you select to prepay for a one year membership, you will receive two (2) months free. You will pay an enrollment fee and twelve months of membership dues, for your 14 month membership.

If you have any questions, you may email or phone our Membership Coordinator, Susan Gibbs at sgibbs@colusa-nsn.gov or 458-5787.
